Professional Summary

I am a passionate Frontend Developer with a strong foundation in React.js and Next.js, holding a BS in Computer Science from UET Mardan (Class of 2025). I began building real-world projects during my 5-month internship at SectionSoft Islamabad, where I gained hands-on experience in modern frontend technologies. With nearly 2 years of experience, I specialize in building responsive, user-friendly web interfaces using React, Next.js, Tailwind CSS, and JavaScript.

Professional Experience

07/2024 – 11/2024
Islamabad, Pakistan

React Frontend Web Developer

- Developed and maintained modern frontend features using React.js and Tailwind CSS.
- Collaborated with backend developers and UI/UX designers to deliver responsive web applications.
- Improved user interfaces and optimized component reusability.
- Gained real-world experience in version control, API integration, and performance tuning.
